Sina Azadnajafabad, MD, MPH

St. Louis, MO, USA
https://sina-azad.github.io/

Summary

- Highly motivated researcher, with experience of more than four years of full-time research.
- Experienced scholar in clinical research, epidemiology, biostatistics, and public health.
- Interested in clinical epidemiology, cancer, surgery and surgical outcomes, and big data analysis.

Education

School of Public Health, Iran University of Medical Sciences, Tehran, Iran 09/2020 – 01/2023

- Master of Public Health (MPH) Degree
- Courses: Epidemiology, Biostatistics, Health Economics, Global Health, Qualitative Studies
- Thesis: Global assessment of breast cancer epidemiology and quality of care
- GPA: 18.4/20

School of Medicine, Tehran University of Medical Sciences, Tehran, Iran 09/2012 – 05/2020

- Doctor of Medicine (MD) Degree
- Thesis: Epidemiology and voice handicap index in benign laryngeal mucosal lesions
- GPA: 17.7/20

Professional Experience

Postdoctoral Research Associate 08/2024 – Present

Division of Public Health Sciences, Department of Surgery, Washington University School of Medicine, St. Louis, MO, USA. / Fields of cancer epidemiology and surgery
Achievements: Collaboration on descriptive and molecular epidemiologic projects focusing on gastrointestinal cancers, leveraging cohorts, real-world evidence, and genetic consortium

Teaching Assistant 10/2024 – Present

Intermediate Epidemiology Course, Master of Population Health Sciences (MPHS) Program, Division of Public Health Sciences, Department of Surgery, Washington University School of Medicine, St. Louis, MO, USA.
Achievements: Led R programming labs for statistical analysis of complex survey data, guiding students in applying epidemiological methods through practical data analysis sessions.

Research Data Analyst 01/2024 – 08/2024

Leeds Institute of Rheumatic and Musculoskeletal Medicine, Faculty of Medicine & Health, University of Leeds, Leeds, UK. / Fields of osteoarthritis and musculoskeletal diseases
Achievements: Collaboration on data analysis of clinical cohort datasets and biomarker research, grant application, and supporting preparation of peer-reviewed manuscripts

Global Burden of Disease Collaborator 03/2021 - Present

Institute for Health Metrics and Evaluation (IHME), University of Washington, Seattle, USA.
Achievements: Collaboration on the Global Burden of Diseases, Injuries, and Risk Factors Study and its affiliated research projects in global, regional, national, and subnational levels

Research Fellow 12/2019 – 12/2023

Non-Communicable Diseases Research Center, Tehran University of Medical Sciences, Tehran, Iran. / Fields of epidemiology, public health, and health policy
Achievements: Collaboration on the Iran STEPS 2016 and 2021 Surveys, Global Burden of Disease studies, proposals, grants, and manuscripts production

Academic Editor 11/2022 - Present

PLOS One (Public Library of Science), Scientific Reports (nature), Frontiers journals
Achievements: Handling submissions for review and publication in the fields of: cancer epidemiology, surgery and surgical outcomes, non-communicable diseases, public health

Medical Intern 04/2018 – 10/2019

School of Medicine, Tehran University of Medical Sciences, Tehran, Iran.
Achievements: Medical Procedures, Team work, Leadership, Professionalism, Communication skills

Research Assistant 04/2016 – 12/2021

Sina Trauma and Surgery Research Center, Tehran University of Medical Sciences, Tehran, Iran. / Fields of acute care and trauma
Achievements: Collaboration on multiple systematic reviews in trauma research and national trauma clinical practice guideline adaptation studies

Volunteer Experience

Preventive Health Educator 08/2024 – Present

Program for the Elimination of Cancer Disparities (PECaD), Siteman Cancer Center, Washington University School of Medicine, St. Louis, MO, USA.
Achievements: Educated community members on colorectal, breast, and prostate cancer prevention and early detection, promoting awareness and healthy behaviors to reduce cancer risk.

Health Education Volunteer 09/2013 – 03/2015

Students' Scientific Research Center, Tehran University of Medical Sciences, Tehran, Iran.
Achievements: Active member of Standing Committee on Reproductive & Sexual Health including HIV/AIDS

Key Skills

Scientific skills:

- Scientific writing
- Grant and proposal production
- Statistical analysis, big data management
- Narrative/literature review
- Systematic review and meta-analysis
- Clinical trials, randomized controlled trial
- Peer review

Biostatistics and data analysis skills:

- R (Advanced)
- Stata (Intermediate)
- SPSS (Advanced)
- Python (Beginner)

Research Interests

- Clinical epidemiology
- Cancer epidemiology and quality of care
- Surgery and surgical outcomes
- Biostatistics
- Healthcare services research

Awards and Honors

- Ranked 1st in the Master of Public Health entrance exam, Iran University of Medical Sciences, Iran — 2020
- Awarded the Iranian exceptional scholars' researcher program award, Iran — 2020
- Awarded Premier Intern, Internal Medicine Ward, Shariati Hospital, Iran — 2019

Certificates

- Biomedical Research Investigators and Key personnel, CITI Program, USA — 2024
- Introduction to Good Clinical Practice (GCP), National Institute for Health and Care Research, UK — 2024
- Laboratory Techniques School, Universal Scientific Education and Research Network, Iran — 2021
- Healthcare Master of Business Administration Course, Shahid Beheshti University of Medical Sciences, Iran — 2020
- Summer Event of Educational Workshops of Research Methodology, Universal Scientific Education and Research Network, Iran — 2019

Accepted Grants

1. Defining an Osteoarthritis Inflammasome Endotype for Targeting in Clinical Trials – *Accepted by Leeds Biomedical Research Center, National Institute for Health and Care Research (NIHR), UK (2024)*

2. Evaluation of the Global Breast Cancer Quality of Care Using the GLOBOCAN 2020 Database – *Accepted by School of Public Health, Iran University of Medical Sciences, Iran (2022)*

3. Healthcare Utilization, Costs, and Quality of Life Assessment in a Population with Non-communicable Diseases Before and During the COVID-19 Pandemic – *Accepted by World Health Organization (WHO), Regional Office for the Eastern Mediterranean Region, Egypt (2020)*

4. Evaluation of the Prevalence of COVID-19 in Cancer Patients and Its Impact on Cancer Patients Healthcare Utilization in Iran – *Accepted by Endocrinology and Metabolism Research Institute, Tehran University of Medical Sciences, Iran (2020)*

5. Epidemiology and Voice Handicap Index (VHI) in Patients with Benign Laryngeal Mucosal Lesions Referring to the Clinic of Amir Alam Hospital in 2018 and 2019 – *Accepted by School of Medicine, Tehran University of Medical Sciences, Iran (2018)*

Poster Presentations and Conference Proceedings

1. Amouzadeh A, **Azadnajafabad S**, Jaberi Moghaddam M.H 2022. Greater impact of global warming and rapid urbanization in lower income regions: a warning from public health aspect. *Dortmund Conference on Spatial Planning and Planning Research, DOKORP 2022.* [Accepted abstract for oral presentation]

2. Mohammadi E, Habibi Z, **Azadnajafabad S**, Meiboodi KT, Nejat F 2021, Antibiotic Prophylaxis in Pediatric Neurological Surgery: A Non-randomized Clinical Study for Comparison of Single-dose vs. Multiple-dose Antimicrobial Prophylaxis Protocols. *American Association of Neurological Surgeons' annual meeting, AANS 2021 Orlando*. [Accepted abstract for e-poster presentation]

3. Mohammadi E, Habibi Z, **Azadnajafabad S**, Hanaei S, Meiboodi KT, Nejat F 2021, The Effect of External Ventricular Drain Tunneling Length on CSF Infection rate in Pediatric Patients: A Randomized, Double-blind, Three-arm Controlled Trial. *American Association of Neurological Surgeons' annual meeting, AANS 2021 Orlando*. [Accepted abstract for e-poster presentation]

Editorial and Peer Review Summary

Editorial records: PLOS One, Frontiers journals, Scientific Reports – Nature.

Peer review: Cancer Medicine, PLOS One, eLife, The Lancet Regional Health, International Journal of Cancer, BMC Public Health, Frontiers in Public Health, Frontiers in Oncology, Annals of Medicine and Surgery, BMJ Open, BMJ Global Health, Bulletin of the World Health Organization, eClinicalmedicine, European Heart Journal, International Journal of Public Health, PLOS Global Public Health, Journal of Diabetes & Metabolic Disorders, Interdisciplinary Neurosurgery: Advanced Techniques and Case Management, Journal of Medical Internet Research, BMC Geriatrics, International Journal of General Medicine, Annals of Human Biology, JMIR Cancer, JMIR Perioperative Medicine, JMIR Public Health and Surveillance, JMIR Research Protocols, American Journal of Obstetrics & Gynecology MFM, Biodemography and Social Biology, International Journal of Surgery Open, Obesity Surgery, Frontiers in Endocrinology, Public Health, Heliyon, Burns, Frontiers in Neurology, Journal of the Egyptian Public Health Association, Patient Preference and Adherence, World Neurosurgery: X, Journal of Neurological Surgery Reports, Journal of Cosmetic Dermatology, JMIR MHealth and UHealth, International Journal for Quality in Health Care, Advanced Biomedical Research, Drug and Alcohol Dependence, Scientific Reports, Nutrition Journal, Journal of Hypertension, Journal of Global Surgery (ONE), Health Science Reports, Global Spine Journal, Frontiers in Nutrition, Health Research Policy and Systems, Frontiers in Immunology.

Languages

- Persian: Native
- Azerbaijani (Azeri): Mother tongue
- English: Professional working proficiency

Hobbies

Biking, Cooking, Hiking, Swimming, Movies
